softSocialNetwork

- The covid-19 pandemic crisis had strike all over the word.

- Let me telling you about Alice.

- Alice works in an hospital.

- She want to switch reality one or two minutes for a peaceful place.

- Actualy you can find media and entertaiment on your smartphone but no real peaceful digital zone.

- We have all in mind these horrible moments in the news where we saw people like Alice which have to struggle very hardly.

- the goal of softSocialNetwork is to do an application that can brodcast peaceful content like music, pictures and short videos.

- SoftSocialNetwork is for alice.

- Alice could be you, me ,them, everybody.

- We just all need to feel sometime a true moment of pure magical fantasy.

- We need…

...softSocialNetwork app !

This is a revolution...

...and

the revolution will not be televised !

Thanks for alice ...
